

**CLARK COUNTY CIRCUIT COURT  
STANDARD GUIDELINES ON PERIODS OF PHYSICAL PLACEMENT**

The policy of the court is to equalize physical placement between the parents whenever possible. Therefore a 50/50 shared placement is sought unless circumstances warrant otherwise. The following guidelines are designed to serve this goal. **Parents are free to reach an agreement that is different from these guidelines, subject to court approval, as long as the best interests of the children are not harmed.**

Flexibility and Reason	This schedule is a guideline. Parents are free to mutually agree to modify the schedule to fit their needs and the needs of the children. Parents should be flexible to meet each other's needs as well as the needs of the children to participate in extracurricular activities (football, volleyball, band etc.). <i>The court will consider attempts to (1) rigidly enforce this schedule, or (2) repeatedly and unilaterally insist on deviations, without consideration of the other parent's needs and the needs of the children, to be poor parenting and a violation of the spirit of this schedule.</i>
